

## 3 Schlafzimmer Stadthaus zu verkaufen in Olvera, Cádiz

56.500€

Algarin Vista is a good sized traditional town house for sale on a lovely street in Olvera, Spain. This home offers a good amount of space and with a low level renovation could be perfect. Ground floor has two reception rooms one currently used as a bedroom but easily adapted , possibly even open it up so the ground floor is more open plan through out . There is a functional kitchen with pantrythen a bathroom fully tiled and has shower , sink and loo , a and laundry area connects from kitchen to bathroom and has access to a small patio off which there are basement rooms 'bodegas' plus a good size storage room , this area could be made really attractive with tiling and would make the ideal outdoor living space on hot summer days , good spot for a BBQ too. Upstairs you have 2 further bedrooms of good proportions one with juliet balcony and another bathroom .up the final set of stairs snd this opens into another room with access to a roof terrace with lovely views to countryside and mountains plus up to the church and castle , the room at the top is ideal to convert to a terrace lounge and possibly add a kitchenette so you can prepare food and drink to enjoy on the terrace ?There is on street parking and a short easy walk to all the old center has to offer.Floor Area: 160 metersBedrooms: 3Bathrooms: 2
