

6 Schlafzimmer Villa zu verkaufen in Biar, Alicante

649.950€

Located in one of Biar's most sought-after areas, this refurbished chalet offers breathtaking views of the castle and surrounding mountains. With a spacious 655 m² plot, lush gardens, and premium outdoor amenities, this home provides a perfect blend of comfort, style, and functionality—just minutes from everything you need.

The property boasts a single-level layout, ensuring ease of access and a seamless flow throughout. Inside, you'll find six spacious bedrooms, four bathrooms, and two large living-dining areas, one of which features a charming fireplace. Two fully equipped kitchens make entertaining a breeze, while three storage rooms provide ample space for organization. For those prioritizing wellness, the home also includes a gym with a sauna and a jacuzzi-equipped bathroom for the ultimate relaxation experience.

The outdoor space is equally impressive, designed for both leisure and practicality. A private swimming pool, children's playground, outdoor barbecue, pergola, and picturesque ponds create a serene retreat. A drip irrigation system maintains the lush garden effortlessly. The home is equipped with air conditioning and heating, triple-glazed insulation windows, LED lighting, and a pellet stove to ensure year-round comfort. Sustainability is also a key feature, with solar panels and a 5 kW inverter providing energy efficiency.

This fully furnished home is move-in ready, offering the perfect combination of luxury, convenience, and breathtaking surroundings.
