

3 Schlafzimmer Stadthaus zu verkaufen in Gran Alacant, Alicante

312.000€

A brand new residential complex situated in Gran Alacant, Alicante, close to the airport and the lovely long white sandy beaches.

These 3 bedroom townhouses offering a good size living/dining area, a modern open plan kitchen, three bedrooms with fitted wardrobes, three bathrooms (two are en-suite), a large terrace with private garden and lovely green areas with a communal swimming pool.

Gran Alacant is a residential area belonging to Santa Pola, formed by a set of urbanizations and a multitude of services. It is characterised by two main areas: one at the entrance to the N-332, with a newer and more modern construction, and in which there is a large commercial area; and another, closer to Arenales beach, and offering a variety of restaurants and small shops. It has excellent communications, so you can forget the car to go to the beach because it has an urban line that connects the whole area. If you need it, you also have several options to get to Alicante, Santa Pola and the airport.
