

3 Schlafzimmer Landhaus zu verkaufen in Villena, Alicante

285.995€

We are delighted to bring to the market this lovely 3 bed 2 bath property in the Villena countryside. This quaint property is set in some of the most stunning mountain views and the design of the property does not let them down. You approach the property via a long drive entering into the garden area via a gate. To the left is a row of dog kennels and to the right is a garden area with lots of nice shaded sitting areas to enjoy your surroundings with a glass of local vino. There are other paddocks and fields that come with the property totalling 9971sqm that comes with this property and there is the possibility of purchasing more from a local farmer. The property itself has a lovely sunroom sitting area and as you go through the front door it's a lovely shaped lounge with a nice modern kitchen to your right and the 3 bedrooms and 2 bathrooms to the rear. Lovely and slightly quirky property is a must see you will love it, I certainly did.
