Discover an exclusive collection of homes where each day begins with the sunlight, ocean breeze, and tranquility of a privileged setting. This project presents 164 modern apartments with two bedrooms, each designed to maximize comfort and harmony with nature, providing an unparalleled Mediterranean lifestyle. Every space has been crafted to offer spaciousness, brightness, and functionality. The residences stand out for their design inspired by the movement of the sea, featuring expansive terraces where you can enjoy unforgettable outdoor moments. From penthouses with panoramic views to private gardens, every corner is designed to provide the well-being you deserve. Moreover, this development offers extraordinary communal areas that make every day a unique experience. Enjoy a spectacular infinity pool on the rooftop, a barbecue area, three additional pools (including a children's pool and a heated one with a swimming lane), a jacuzzi, a fully-equipped gym, an outdoor calisthenics circuit, mini-golf with a putting green, and an elegant gourmet lounge for special gatherings and celebrations. Located less than 5 minutes on foot from a cove with crystal clear waters surrounded by nature, where the peace and beauty of the Mediterranean are ever-present. The picturesque coastal town with colorful streets and a relaxed atmosphere is just a 6-minute drive away, while within 15 minutes, you can immerse yourself in the vibrant life of one of the most lively cities on the Costa Blanca. This is where tradition and modernity meet, offering a perfect connection with nature without sacrificing the best services. A home designed to live and enjoy every moment to the fullest.
