2.880.000€

Exclusive villa with contemporary design and unique features.

A refined and elegant villa where contemporary architecture meets the warmth of a home, offering exceptional living both for everyday life and holidays.

A home with clean lines, absolute privacy and inspiring spaces

With 550 m² built on a 1,300 m² plot, this property redefines the concept of luxury living. High-quality materials, well-balanced spaces and premium furnishings create a serene and sophisticated atmosphere.

Upon entering, you are welcomed by a centennial bonsai tree. The main floor features a seamless open layout integrating kitchen, dining and living areas. Large windows frame the landscape and open to an infinity pool that blends with its surroundings.

The house is spread over 4 levels connected by a lift. The top floor houses the master suite with en-suite bathroom, freestanding bathtub, walk-in wardrobe and a private terrace with open views. The rooftop offers a jacuzzi with panoramic views of the golf course and city. Next to the pool, you'll find a summer kitchen with barbecue, generous lounge areas with hammocks and sofas, and a chill-out corner with a fire pit.

The basement is a versatile space with its own character: a garage for seven cars that can be transformed into a private club or event space, a temperature-controlled wine cellar, and a separate office. Outside, a private minigolf course adds a unique and entertaining touch.
