

## Handelsimmobilie zu verkaufen in Castalla, Alicante

**225.000€**

We are proud to present this amazing business opportunity. Located on the very popular Castalla International urbanisation, these successful businesses are being offered for sale at a very competitive price. We have a large modern building which is home to 3 businesses. The first is a busy vibrant bar which has a great menu for breakfast, lunch and dinner too. With a capacity for 40 people inside and a sunny terrace for 80 people outside. The bar is very popular on the urbanisation and already has many patrons. So potentially, you could be making a profit from day one. Next to the bar is a modern office with a huge window for advertising. Next to the office is a fabulous hairdressers and beauty salon. Again, the business already has regular clients so whoever buys this, has a business that is already a great success. Opportunities like this do not come along very often so I recommend early viewing to avoid disappointment.
