Stadthaus zu verkaufen in Feria, Badajoz

39.950€

Traditional 2 bedroom village house in the pretty hilltop village of Feria. Lots of original character, living room, kitchen, bathroom, great views from unused first floor (room for two more bedrooms) and rear patio garden with outbuilding. The property has not been lived in for a while so needs cleaning, decorating and some modernisation but is perfectly habitable now. The village lies around 45 minutes from Badajoz, 20 minutes from Zafra and around 90 minutes from Seville city and airport. The owner is very keen to sell and will consider any reasonable offer.
