Built to a very high standard.

100.000 Euros cheaper than when built in 2007

Property will make a great holiday home or prime rental property

Beach 5 min drive

Airport 10 drive.

The Mar Menor Golf Resort was designed by Jack Nicklaus and David Thomas.

This course was originally a 9 hole course designed by Dave Thomas and Jack Nicklaus and was later converted into an 18 hole course designed by the great Jack Nicklaus

This is an ideal resort for the whole family. The challenging course will suite the golfer with undulating greens that will test your skills, the relaxing spa treatment at the 5 star Intercontinental hotel will suite those of you who wish to kick back and chill and last but not least the children, you will find play areas scattered around the resort for the little ones, paddle courts, tennis court in the social centre along with communal swimming pools all on a gated area, with 24hr security. Book to see this property with JMT Spanish Properties.
