

Land for sale in Caudete, Albacete

22,000€

We are offering for sale a plot of land situated in an area of outstanding beauty. This large plot of 20 000 m2 is ideal for building a new home and living a good life in a peaceful rural location. At the same time, it is only a short distance from a bustling market town of Caudete with all its amenities. There is a good access via a well maintained track. This plot will have its own water supply in the form of a well. The plot is being sold in its current form (22,000 €) or with the work on the well completed and the land fully fenced (60,000 €).
