

Terrenos en venta en Caudete, Albacete  
34.500€

We are offering for sale fully irrigated land with olive trees in full production. The plot is over 3.7 ha, perfectly maintained, and is being sold at an exceptional price. The land is located in the area of outstanding beauty - at the foot of Sierra de Santa Bárbara with stunning walking trails starting there. At the same time, there is a good well kept access road and it takes under 10 minutes to drive to the town centre of Caudete. There is a fully fenced part of the land planted with various fruit trees and containing vegetable patch - perfect for a caravan or construction of a new dwelling.
