IMPECCABLE HOUSING WITH TERRACE IN EL PORTIL

Impeccable housing that for its location and characteristics is ideal to live both in winter and summer. The community enjoys common areas and pool.

The ground floor apartment has a large terrace delimited with a wall which gives it more privacy and protection. It is composed of a double bedroom and a single bedroom, both with fitted wardrobes. The house has two full bathrooms and a large living room that communicates with the terrace. The kitchen, modern style, is independent.

The floor of the whole house is marble, the walls smooth and in white tones and has air conditioning and heating.
