

## 5 Cuarto Adosado en venta en Mondujar, Granada

75.000€

Part of our Exclusive Collection, Casa Clasica is located in the wonderful village of Mondujar in the Lecrin Valley. The house is situated a street away from the beautiful 16th Century Church. Although in need of Renovation this is a particularly interesting property thanks to the huge amount of square meters that are already constructed here, which with the right imagination could be made into a beautiful home along with storage or workshops. Casa Clasica is a two storey dwelling with lots of original features and would make a wonderful home to those with the vision to design and adapt.
