

2 Cuarto Apartamento en venta en Formentera del Segura, Alicante

86.000€

We are very pleased to offer this exclusive modern top floor apartment with great views across Los Palacios village and of the Callosa Del Segura Mountain.

The apartment has a typical Spanish long hallway that reaches the length of the apartment, it has two good sized bedrooms and a family bathroom off of it, at the bottom is the very large lounge diner which has an American style kitchen and the balcony where you can relax and enjoy the mountain views.

The apartment benefits from a locked storage unit on the top floor along with the large communal roof terrace where you can pick up even more views of Los Palacios, Rojales village and the mountains.

All though the apartment is situated in Los Palacios it comes under the town hall of Formentera del Segura, Los Palacios is a small area close to Rojales village and has plenty of bars, restaurants and supermarkets on the doorstep. You can walk into Rojales or even over the river into Benimar and Benijofar so a car is not a necessity.
