

4 Cuarto Adosado en venta en Periana, Málaga

165.000€

Adosado Juan is a townhouse, located in the centre of Periana with all of its amenities on the doorstep. The house is one of 4 in a small row and is the 2nd property in. On the ground floor is a double bedroom which was originally the garage. There is also a shower room, store room, lounge/diner with lake view and a kitchen with wooden units and a separate utility room. There are marble stairs that lead to a landing with a further 3 bedrooms all with wardrobes and fitted fly screens. On this level there is also a bathroom and a door off the landing that leads to a terrace with fantastic views over the town, lake, mountains and a distant sea view. This is the perfect property for someone looking for a large house within walking distance to amenities.
