La Manga del Mar Menor is a magnificent tourist destination, designed to make your stay as pleasant as possible. The beauty and diversity of its surroundings, as well as its average 22° temperature and more than 320 sunny days a year, are just some of what it has to offer and which make it perfect for water sports. There is also a wide range of leisure and entertainment to choose and many other things that make La Manga one of the most important tourist hotspots in Europe.

La Manga is located in the south east of Spain, in the region of Murcia, to be precise, it is a unique place, which is lucky enough to be home to a natural salt water lake, right next to the Mediterranean Sea. This one-of-a-kind sea is called the Mar Menor. Its 73 km long coastline boasts many beaches with crystal clear, shallow water. Apart from its more than 40 km of top quality beaches, visitors also get the chance to choose between two seas, each of which has a different temperature, salt content and, even types of waves! One of the seas has lots of them while the other is calm practically the whole year round!
