

3 Cuarto Villa en venta en Pinoso, Alicante

245.000€

COMING SOON

Three Bedroom Detached Villa on a 10,000m2 plot with Swimming Pool.

This Villa has amazing views across the Valley of Pinoso and is only 2 km from the center of town, so in a great location.

This will be a refurbishment project as work is needed but is still habitable at present. The only pictures available at the moment are the ones linked to this property, as I am waiting for the owner to finish some interior decoration before further pictures are released.

Please contact us to register your interest.
