This 79 m² home offers 3 bedrooms, 1 bathroom, a reception/living room, and a modest kitchen. Two basement areas, currently in need of refurbishment, provide excellent potential for additional storage or as hobby rooms — ideal for ski equipment in winter or beach gear in summer, thanks to Lanjarón's unbeatable location between the coast (just 30 minutes) and Sierra Nevada ski station (only 45 minutes).

Situated in the very center of Lanjarón, the property places you within walking distance of cafés, supermarkets, and all local amenities. Casa Gracia represents both a comfortable home and a smart investment in a town famous for its thermal waters and gateway position to the Alpujarra region.
