

Casa de Campo en venta en La Marina, Alicante

200.000€

We are pleased to offer this **LARGE CORNER PLOT** for sale, which is located on the **OASIS URBANISATION**, close to **LA MARINA** on the **COSTA BLANCA SOUTH**. There are two plots, one of 500m² and the other of 360m², which are being sold as one project, therefore, the overall plot is 860m² in total. The total land has the potential for a villa of approximately 300 m² with a pool of 8 x 4 meters on a plot of 860 square meters with a parking area, etc, at a price of 200,000 euros including the basic project of the architect. Our expectations on the value of such a project when finished would be more than 600,000 euros, considering the architectural drawings and plans. Here are the benefits within this sale:

- Basic project of the architect
- Project photos
- Photos of the plot
- Satellite image

This is a wonderful opportunity to purchase a large corner plot and have your own villa built, so contact us today to arrange a viewing, thank you for looking.
