

5 Cuarto Villa en venta en Mijas, Málaga

1.499.000€

Exceptional Villa for Sale in Mijas – Prime Location, Privacy & Beautiful Views Located just 1 km from the charming Mijas village, this impressive villa enjoys an excellent position within an established and peaceful urbanization. Set at the end of a cul-de-sac with its own private driveway, the property offers complete tranquillity, privacy, and lovely sea and mountain views. Sitting on a generous plot, the villa is spacious and full of character, surrounded by mature trees, multiple seating areas, and beautifully designed outdoor spaces. The main house is distributed over two levels:

Main Level: A welcoming and expansive layout featuring two comfortable living rooms—one with a dining area and a small bar, and the other with a cosy fireplace. An additional dining space opens directly onto the pool and terrace, creating a perfect indoor-outdoor flow for entertaining. The large independent kitchen completes this level.

Upper Level: Four generously sized bedrooms, each with its own en-suite bathroom, provide comfort and privacy for family and guests. This level also includes an extra living room, ideal as a quiet retreat or family lounge. The property is equipped with central heating throughout and solar panels for hot water, ensuring comfort and energy efficiency year-round.

Separate Apartment: On the lower level, there is an independent apartment with its own bedroom, bathroom, and a dedicated sauna room—perfect for guests or extended family.

Outdoor Areas: The spacious plot offers a variety of charming features, including a swimming pool, barbecue area, covered terraces, and generous parking. A walkway leads to the upper part of the plot, where several peaceful sitting spots surrounded by mature trees provide lovely views and a serene atmosphere.

Additional features include: A solar panel system providing 85 kWh of electricity with a 15 kWh storage battery. A backup emergency generator for power outages. Solar panels for hot water and pool heating. A 16 m³ backup water tank. A heat pump for the central heating system. A sauna. An automatic garden irrigation system.
