

3 Cuarto Apartamento en venta en Playa Flamenca, Alicante

589.900€

En una de las zonas más demandadas de Playa Flamenca, en Orihuela Costa, presentamos este exclusivo apartamento esquinero en planta baja dentro de un residencial de obra nueva entregado el año pasado. Una oportunidad única para quienes buscan calidad, confort y una ubicación estratégica en la Costa Blanca. Situated a few minutes from the beach and surrounded by all services —restaurants, bars, pharmacies, family leisure and the renowned Centro Comercial La Zenia Boulevard—, this home combines Mediterranean lifestyle with an excellent projection of profitability.

The apartment has 3 bedrooms and 2 bathrooms, with a functional distribution and high-quality finishes.

The main bedroom has an en-suite bathroom with a bathtub. The second bathroom is independent and has a shower. Both bathrooms incorporate radiant floor heating, providing a plus of comfort throughout the year.

All bedrooms have built-in wardrobes. The kitchen is completely equipped and the home is sold furnished, except for decoration items, which allows you to move in immediately or rent it out without the need for additional investment.

The general feeling is one of spaciousness, brightness and comfort, ideal both as a permanent residence, a second home or an investment in one of the areas with the highest international demand in the Costa Blanca.

The real added value of this property is its spectacular corner terrace of 115 m². Its location in the corner provides greater privacy and visual amplitude.

From the terrace you can enjoy lateral views of the sea and direct access to the garden and the communal pool. A perfect space to create different outdoor environments: chill-out zone, outdoor dining area or even a personalized relaxation area.

Finding a ground floor unit with a terrace of these dimensions in Playa Flamenca is uncommon, which makes this home a particularly attractive opportunity.
