137.000€

For sale a town house in the centre of Alora, with an area of 228 m². The main property is distributed over two floors and has three bedrooms, a living room, and a recently renovated kitchen. It also has a solarium terrace with views of the Castle of Álora. The house, in traditional style, does not have a full bathroom at present, having only a toilet; it would be necessary to install a bathroom. The property includes a mezzanine floor that could be used as a wine cellar, as well as an additional living space on the ground floor, with a bedroom and a small kitchen, with a separate entrance. It requires renovations and updates, which represents an interesting investment opportunity. Its central location facilitates access to all the services and facilities of the municipality. ref:APN7696
