Set in the peaceful and highly sought-after area of El Pecho, this unique finca offers approximately 11,000m² of land, providing space, privacy, and incredible potential.

The property includes two existing buildings, offering flexibility for renovation, guest accommodation, or creative development. One of its standout features is a substantial 130,000-litre water deposit, ensuring a reliable water supply even during the dry summer months — a rare and valuable asset in this region.

The elevated position delivers truly spectacular panoramic views stretching across the coastline, Lanjarón village, and the Sierra Nevada mountains, creating a constantly changing landscape of light and colour throughout the day.

Whether you are looking for a private rural retreat, a lifestyle investment, or a project with long-term potential, this finca offers a unique opportunity in one of the most desirable areas of the Alpujarra.

Contact Borja now for more information or to arrange a viewing.

A finca defined by its views, its land, and its potential.
