

3 chambre Maison de Ville à vendre dans Alcaudete, Jaén

50.000€

LOCATED IN THE MOORISH TOWN OF ALCAUDETE DEEP IN THE HEART OF OLIVE COUNTRY IN THE PROVINCE OF JAEN THIS COULD BE A GREAT HOLIDAY OR FULL TIME HOME.

Located in a quiet street yet central to all this lovely Town has to offer there is an entrance lounge with a room off it into the kitchen diner which is in need of some updating. A passageway leads down to the rear of the house where there is a bathroom with a shower, a separate utility area and then access to the large patio behind (currently in need of a clean and tidy).

The first floor has a large room to the rear then a central room with a room off it to the front of the house all could be bedrooms or one could be converted into a bathroom.

The utilities to this property are currently turned off but easily connected.

Granada and the international airport is less than 40 minutes away and the beaches of Malaga are just over one hour 40. The town has great transport links with the bus station having regular buses heading both North and South. There is a large park which hosts events throughout the year with a large open air stage, a public pool, a new hospital and numerous bars and restaurants.

This property with some TLC could be an ideal holiday home or for full time living.
