229.000€

Magnificent Duplex house surrounded by a beautiful natural environment, Mijas Golf
The property has two floors with two bedrooms and two bathrooms.

In total built there are 100 spacious and bright rooms,

We find on the first floor the spacious living room with a beautiful fireplace, kitchen, bathroom, storage room, air conditioning, electronic awning, The terrace has panoramic views where we can enjoy views of the mountains and golf.

On the second floor we find the two bedrooms with their respective balconies with beautiful views.

In each bedroom has air conditioning, fitted wardrobes, second full bathroom.

Charming property! It is difficult to find a more beautiful residential area than Puebla Aida.

The urbanization has a very special design that was built over 20 years, becoming a small 'village' with a lot of charm and a unique construction. It not only offers us beautiful views, but also four pool areas, cozy alleys and lush gardens and fountains, all very well maintained. Puebla Aida consists of more than 300 houses where each one has its own distribution and none is the same as the other.
