

4 chambre Maison de Ville à vendre dans Sierro, Almería

84.950€

Beautiful 4 bed 4 bath traditional Spanish property situated in the lovely village of Sierro which offers all necessary amenities such as supermarkets, banks, bakeries, butchers, medic and much more.

To the front of the house there is a covered terrace which leads to the front door. Through the front door is a well sized dining room with a door which opens into a double bedroom and an en-suite bedroom which is ideal as it can be used as a family room. On the other side of the dining room there is an archway leading into a large fitted kitchen diner with a pantry and separate utility room. From the utility area you access a downstairs toilet.

There is a second front door that opens into the utility room which leads to the unfinished part of the property. This was going to be made into a separate house with two bedrooms, two bathrooms, lounge and dining room. The top of the structure is open to provide more light so if you wanted to turn this into an outdoor area or chill out zone it would be ideal.

From the dining room a staircase leads up to the first floor on which there is a large open plan living space with a free standing log burner and access out to a covered porch with lovely views. To the left of the living area there is a door leading into an en-suite bedroom with a balcony and fitted wardrobe. From the living area steps lead up to another

There are many additional extras such as two large sheds, spare water deposit, upgraded full power electric and even
