

3 chambre Maison de Ville à vendre dans Alcala la Real, Jaén

73.000€

This property is great for the money. It has been totally reformed now and all that's needed is fitting a kitchen to suit individual taste. So all new floors and ceilings, walls plastered and painted, new windows and doors etc. Electrics and plumbing are all new. The property is in a good area of the town with some lovely old buildings and within walking distance of everything. So the property has potentially, 3 bedrooms - 2 have juliet balconies - 2 bathrooms, living room, kitchen and utility area, plus a small patio. This property would rent really well to a young family and could achieve a good return on investment. Great as a holiday home too. Has to be seen as you have a blank canvas here. Alcala la Real is a popular large historical town in Jaen and boasts its famous La Mota Castle, a large Hospital, many Museums and Public Parks, good choice of Bars, Restaurants and Supermarkets and attracts tourists from all over Europe.
