

3 chambre Auberge à vendre dans Moclin, Granada

100.000€

This lovely village house has a very private rear patio with another building at the back which has a summer kitchen on the ground floor and steps up to another room which if the roof is taken off would make a lovely terrace. The patio itself is big enough to take a plunge pool too. the house needs some updating as its been unoccupied for a while but could make a great family home and ideal for holidays. It has a kitchen, bathroom, sitting room and 3 bedrooms - one is on the ground floor, and one upstairs is currently used as another sitting room. With some updating this house would be really nice.
