

3 chambre Maison de Ville à vendre dans Mijas, Málaga

585.000€

Located in a prime location, along the Mediterranean coastline of the renowned Costa del Sol, this sophisticated Resort & Club offers an array of amenities, including a Sports Club with a health spa, fully equipped gymnasium, and tennis courts. Additionally, an exclusive concierge service is available to cater to your every requirement as a property owner. The magnificent beaches in the vicinity are just a few steps away, providing an ideal setting to indulge in the epitome of luxurious living. It is bordered by the esteemed El Chaparral Golf & Country Club, enhancing the allure of the surroundings. Additionally, the beloved town of La Cala, celebrated for its exquisite dining options, is just a short drive away, ensuring a wealth of leisurely experiences for residents and visitors alike. This luxury townhouse boasts meticulously designed interiors to meet the highest standards expected of a property of such caliber. The living area, dining area, and fully equipped kitchen with a breakfast bar seamlessly merge together, forming a unified living space that capitalizes on the breathtaking views through oversized triple aspect doors and windows. The transition between the indoor and outdoor spaces is fluid, thanks to the expansive covered and open terraces that serve as idyllic spots for relaxation while reveling in panoramic views of the golf course or the scenic southwestern coastline that stretches towards the glistening Mediterranean Sea.
