Enjoy long sandy beaches with amazing Caribbean vibes and extraordinary bays and beaches of an unreal beauty in close by Cabo de Palos. Another days you can visit true jewel of the region - breathtaking natural park Calblanque. Due to the excellent infrastructure you reach the airports of Murcia and Alicante in respectively 30 and 70 minutes. From Cartagena trains are leaving with connections to Madrid, Barcelona and the rest of Europe. And of course you will find at your door de most beautiful beaches and hidden caves and bays, surrounded with stunning flora and fauna. At La Manga you will experience the best and healthiest climate in Europe. The surrounding area enjoys a Mediterranean subtropical climate with warm pleasant summers 28-32 °C and mild winters. It is for a good reason that this coastline is called the 'Costa Calida' warm coast. La Manga A strip of volcanic land surrounded by natural channels that connect two seas. Immense sandy beaches with endless views of the landscape from sunrise to sunset. La Manga del Mar Menor, in the region of Murcia, is a place of exceptional beauty, near the majestic Cabo de Palos, where the future Miami Towers Spain will rise. These are three towers with exclusive design in their luxury apartments that give new meaning to the concept of exclusive tourist accommodations. Its exceptional location, on the beachfront, allows you to delight in the natural beauty of the Mediterranean on one side, and on the other, a lagoon with warm, shallow, and open waters. Miami Towers Spain is one of the world's first tourist resorts that allow you to immerse yourself in the waters of two
