This 3-storey 3/4 bed 2 bath villa of 161m² build on a plot of approximately 1000m² offers main living accommodation over 2 storeys, with two further rooms on a lower level which are currently used as a studio and workshop but which offer the possibility of conversion into self-contained guest accommodation opening directly onto the garden.

At the end of the garden is a fully fenced natural area with trees and bushes backing onto a pine wood which offers endless opportunities for chickens, other animals or whatever you wish to use it for.

Set in a beautiful location surrounded by pine trees and countryside this property is accessed by a mainly tarmac road with parking for several cars to the exterior of the property. The front garden has double gates which give direct access to the drive and garage and there is a further pedestrian gate into the front garden to the front door of the property.

We enter the property into a small entrance hall. Double bedroom off with a walk-in wardrobe, airconditioning and ceiling fan. Window to front. From the other side of the hall we enter the living room with log burner and huge sliding
