

3 chambre Maison de Ville à vendre dans Olvera, Cádiz

74.950€

We love it when we find a large old house for sale in great condition. Situated on one of the most important streets in Olvera, with parking and close to the centre of the old town, as soon as you step out of the Hermano Maestro front door you are greeted with a wonderful view of the Castle on high up on the rocks. This large 3 bedroom townhouse has lots of original features, with new wiring, plumbing and kitchen. A stunning entrance hall leads you into the cool interior, with a lounge off, and also a ground floor bedroom. A walkway leads though to the spacious kitchen diner. A shower room is also situated on this level, with a lovely internal patio and light well. Upstairs to a further 2 bedrooms, family bathroom and large utility room, which could easily become a 4th bedroom or office. Up again to the lovely terrace with rooftop views, its possible to extend the terrace and this would also give you extended views to the sierras. Floor Area: 160 Bedrooms: 3 Bathrooms: 2
