

3 chambre Maison Troglodyte à vendre dans Mijas Costa, Málaga

980.000€

Meticulously designed and crafted villa with a keen eye for detail, ensuring the use of premium materials and a modern design aesthetic that blends clean lines and neutral colors to enhance the spaciousness of the living areas, thus creating a harmonious blend with the surrounding natural beauty. This fully customizable villa allows future owners to tailor it to their preferences, offering a plethora of choices to make each one truly distinctive. The villa comes equipped with underfloor heating, a leisure room, a wellness space, and even the option to include up to two additional bedrooms. It boasts more than 300 square meters of constructed area, a private infinity pool, expansive terraces, landscaped surroundings, and private parking for two vehicles. Artfully designed to embody the spirit of the location. Superb location, within a gated exquisite community of an exclusive collection of just 15 stand-alone villas, just a few steps from the world renowned La Cala Golf Resort. 745-00263P
