

Terrain à vendre dans Ardales, Málaga

57.500€

Plot of 2173 square meters, in Ardales. This plot has its own entrance and a olive plantation.

The water for this plot comes from a spring in the mountains of Alcaparain, and has a water deposit with a capacity of 75.000 liters that supplies several plots.

The soil in this plot is very fertile, that means that any variety of fruit trees can be planted.

It is just 2km away from the town of Ardales, where you can enjoy various restaurants and accommodations.
