

1 chambre Maison de Ville à vendre dans Sedella, Málaga

65.000€

This is one of our townhouses in Sedella, a special project with great potential to become the future home of your dreams!

Located in the upper part of the village of Sedella, we find this house which is accessed by a set of stairs passing through the beautiful Moroccan-style entrance door.

From the perfect area to become a living room-kitchen, we go up to what would be the spacious and bright bedroom with access to the terrace divided into two levels.

From them you can enjoy the impressive views of the sea, mountains and town.

The house also benefits from having a storage room at the entrance of the property.

A fantastic opportunity to create a beautiful home on the Costa del Sol!
