Beautiful three bedroom townhouse, built all on one level, located in the centre of the village of Los Montesinos.

The property has been reformed throughout to exceptional high-spec finish whilst still retaining some of its rustic charm, and is packed full of features. These include gorgeous kitchen, two bathrooms, fully tiled interior courtyard, air conditioning.

Upon entering the house, there is a foyer area with a bedroom off to each side. Further on you come into the spacious open plan lounge, dining area, and kitchen. This is a top class property with all mod cons, and has been lovingly renovated whilst retaining some of its original charm. Even the windows have all been changed, they are double glazed PVC. Lots and lots of thought have been put into this house to make it a wonderful home.
