263.000€

We are pleased to present this ground floor bungalow with a large terrace located in the Zeniamar VI urbanization. An urbanization built by the emblematic construction company, TM, in which we find garden areas and a majestic pool around a very well-kept area that has palm trees and hedges trimmed with exquisite care. As soon as we enter the house we find a corner terrace facing south that gives it sun for most of the day. The house is equipped with a glazed porch and is very well equipped. Later we access the interior of the house and find a spacious living room. The kitchen is independent with a breakfast bar that opens to the living room. One of the rooms has a suite bathroom. The entire home is in impeccable condition, cared for by an owner who throughout the life of the home has cared as much as possible about every millimeter of the home.
