

3 chambre Appartement à vendre dans Los Montesinos, Alicante

93.000€

Lovely south-east facing apartment located in the town of Los Montesinos, with all amenities and services within a short walking distance.

The property is located on the first floor (with lift) of a three storey mainly residential block, and is located on the front of the building so catches the sun all day, and has great open views out from the terrace.

The distribution of the apartment is very well laid out, with a nice and compact layout. It comprises of three double bedrooms, and two bathrooms; one en suite with shower, and one full family bathroom. There is a large independent kitchen, fully equipped and including electrical appliances as well as a utility room which includes washing machine, tumble dryer, and gas boiler.

This property has been lovingly decorated and furnished, and has a wonderful homely feel to it. Loads of extras are included with this property, electrical appliances, toldo (sun blind) on terrace, hot & cold air con in lounge, as well as mosquito nets on all doors and windows. Also, there is a communal solarium on the roof.
