

2 chambre Appartement à vendre dans Palm-Mar, Tenerife

333.800€

Palm Mar, also called Tenerife's Knokke among Belgians, is launching this stunning new construction project!

This project will consist of 160 luxuriously finished 1 or 2 or 3 bedroom apartments with a large communal swimming pool, botanical gardens and open spaces, and private underground parking and associated storage.

The residence is located at the entrance of the protected natural reserve Malpais De La Rasca; the ideal place to start a nice walk or even walk over the mountain with beautiful barancos towards the lake touristy Los Cristianos.

This luxury new construction complex is just 5 minutes walk from the sea, where you can practice different water sports and enjoy a nice aperitif on the beach in the famous beach bar Bahía Beach.

So the ideal investment for anyone who wants to enjoy peace and nature in a fantastic place in the southernmost tip of Tenerife!

Palm Mar is a picturesque and charming resort on the southwest coast of Tenerife, one of the beautiful Canary Islands of Spain. The beauty of Palm Mar can be described in several ways:

Palm Mar's landscape is breathtakingly beautiful, combining impressive rock formations, lush green vegetation and the beautiful azure waters of the Atlantic Ocean. The view of the ocean is truly magnificent, especially at sunset when the sky lights up in fiery hues.

Palm Mar has beautiful beaches with fine sand and crystal clear waters. These beaches offer the perfect environment to relax, sunbathe and enjoy the tranquil atmosphere of the coast. Some parts of the coastline are rocky, making for picturesque landscapes and interesting places to explore.
