

3 chambre Auberge à vendre dans Corvera, Murcia

239.000€

We are pleased to present this beautifully located country house. Ideally situated for those who love rural living, total privacy, but still close to the village centre with all its amenities. House with 3 bedrooms and two renovated bathrooms, kitchen and living room with high ceiling. There is a super large covered terrace, completely around the house, with a view of the garden and the pool, which was recently built. There is a 'party' room with billiards, ideal for birthday parties or to organise a bbq with friends. There is also a parking space on the plot, a chicken run and there is a section with dog kennels (which can of course be removed). This house is quietly situated, the garden is very maintenance-friendly and has a perfect sun orientation and offers you a lot of privacy. Overview Finca Property Type 3 Bedrooms 2 Bathrooms 3000 m2
