

## 2 chambre Maison de Ville à vendre dans Olvera, Cádiz

46.000€

A neat renovated property on a small quiet street .the ground floor comprises an open plan arrangement with a kitchen area and light bright lounge .under the staircase there is a neat bathroom .up stairs you have a spacious master bedroom with high sloping ceiling again this is very light and bright . Off the hall way there is a smaller second bedroom.At the moment the house does not have outside space but the local authorities have previously approved a Small integrated terrace on the second floor , this would mean reducing the size of the master but well worth it as the views from this end of the house are great .A perfect no worries holiday lock up and leave .Floor Area: 50 Bedrooms: 2Bathrooms: 1
