We love finding these amazing townhouses for sale , in great we'll maintained condition, with internal patios, this one also has a massive garage at the back leading on to a wide street set in one of Pruna's prettiest streets. The house has three bedrooms one on the ground floor with sitting room, kitchen, bathroom and storage rooms all off the patio. Upstairs are the two massive bedrooms. This house is in one of those our favourite streets, in the centre of Pruna, with flat walking to the centre of this traditional Andalucian village, with bars, restaurants and shops, doctors and market.
