

2 chambre Maison de Ville à vendre dans Alhaurin el Grande, Málaga
129.000€

Nice two storey town house in the centre of Alhaurín El Grande with a private roof terrace.

On the ground floor we find a bright living room, followed by a dining room, a fitted kitchen with a nice patio/utility area, and a bathroom with a large shower. From the dining room you access the top floor with a large hall (ideal for an office or a dressing room), two double bedrooms and a bathroom with a bathtub.

The house benefits from a wonderful roof terrace with views towards the town and the Alhaurín El Grande mountain range.

On the roof terrace there is a room that is currently used as a summer kitchen, but which could be a third bedroom.

It is a very cosy and pleasant property, in a picturesque central street, one step away from all the amenities that the town offers.
