

1 chambre Auberge à vendre dans Yecla, Murcia

29.000€

Private stone country property in Yecla, with magnificent views, in an environment of nature and very quiet, with good access. The property needs a total reform. Yecla is a large town with all its amenities, shops, restaurants, schools, hospital ... This house has an excellent price and has a lot of potential to make it bigger with its 20,000 m2 of flat land around the property. There is the possibility to put a water tank and solar panels for this property, which will save you a lot of money.
