

6 chambre Auberge à vendre dans Yecla, Murcia

79.000€

The property is supplied with water from a private well and a large water deposit. While not currently connected to mains electricity, it presents an ideal opportunity for an off-grid lifestyle—requiring only a solar system and new wiring to unlock its full potential. Surrounded by stunning landscapes, the property boasts panoramic views and endless peace and quiet.

Perfect for horse lovers or anyone looking to cultivate the land, the generous plot is ideal for planting olives, almonds, pistachios, or even vines. This versatile estate blends rural tranquillity with immense potential—whether for sustainable living, agriculture, or simply a serene countryside retreat.
