170.000€

This fantastic blue top quad villa in Rojales Hills, Benimar could be just what you need! It is South East facing and right next to the beautiful communal swimming pool. Initially designed as a three-bedroom model, the villa was later transformed to feature a larger lounge and dining area. To achieve this, the front bedroom was converted into a kitchen, which in turn created a bright and spacious living space. The two double bedrooms have built in wardrobes and the master comes with an en-suite bathroom. At the back, there is a private courtyard with a utility cupboard, plus stairs leading up to a roof terrace. The mountain views from here are gorgeous! You will also find a large storeroom which some people use as an occasional bedroom for kids. Another large store room is handily located at the side of the house making it ideal for bikes. The villa comes fully furnished and ready to move into. It has air conditioning in the lounge and master bedroom, along with a gas fire for those cooler winter nights. Sat just a 10 minute walk from bars, restaurants and supermarkets in Benimar and Rojales, the location is ideal. The beautiful La Marquesa Golf Course is a 10 minute drive and the stunning beaches of Guardamar are just 15 minutes away.
