

3 chambre Maison de Ville à vendre dans Pinoso, Alicante

149.950€

We are delighted to bring to the market this lovely townhouse in Pinoso with mountain views. We have visited and sold many of these properties and in our opinion this is by far the nicest we have seen. The current owner has made many changes to the property to enhance every part of the 150sqm with a combined 38sqm of outdoor space. On the ground floor you have a lovely and good sized living room with pellet bur that also feeds radiators around the house. There is access from the hallway to the garage a great space for a office or hobby room a downstairs modern bathroom and to the rear of the property a good sized kitchen and dining room both of which are very light and airy due to both having patio doors leading to the rear patio. There is also a utility area off the kitchen. Upstairs there are three good sized double bedrooms one with a lovely balcony over looking the mountains and another modern bathroom. From the minute you walk through the gate onto the front patio you know what kind of property this is going to be very homely warm and with a very high standard of finish. For anyone looking for a key ready property this really is a must see property.
