

3 chambre Maison de Ville à vendre dans Zuheros, Córdoba

115.000€

Nestled in the picturesque white village of Zuheros, Córdoba, within the stunning Subbeticas National Park, this high-quality townhouse offers an exceptional living experience. Perched on a mountainside, the property boasts spectacular panoramic views of the Andalusian countryside. Situated on a peaceful, child-friendly cul-de-sac in an elevated position, this three-bedroom, two-bathroom home also includes the convenience of an underground parking space and a storage room.

Upon entering, a bright hallway welcomes you. To the right, you'll find a well-proportioned lounge featuring air conditioning and a charming feature fireplace with a wood burner. Straight ahead is a convenient ground-floor shower room, while to the right lies a spacious, fully fitted kitchen diner. From the kitchen, direct access leads to a delightful shaded patio, perfect for alfresco dining, and includes a separate laundry room.

A quality staircase ascends from the hallway to the first floor. To the left is a comfortable bedroom, and to the right, a landing leads to a generous double bedroom, a good-sized single bedroom, and a spacious, fully tiled shower room. This exceptional property offers both tranquility and convenience in a truly breathtaking setting.
