

4 chambre Appartement à vendre dans Alacant/Alicante, Alicante

241.000€

Are you looking for a place in Alicante that combines comfort, tranquility and good connection to everything you need? This apartment in Alcalá street, in the neighborhood of San Blas, is the perfect option for you! Living in San Blas means enjoying a modern residential environment, surrounded by green spaces and leisure areas ideal for walking, playing sports or relaxing with the family. In addition, its excellent communication with the center of Alicante and other important areas of the city allows you to move easily, either by public transport or by car. This apartment in Alcalá street offers you the opportunity to live in a well-equipped neighborhood, with supermarkets, schools, health centers and stores within walking distance. The area combines the tranquility of a family atmosphere with the proximity to the beach and leisure areas, so you can enjoy the sea, gastronomy and cultural life of Alicante without complications. Imagine living in a comfortable and bright space, in a quiet but well connected street, where every day you can take advantage of the quality of life that San Blas offers. It is an ideal opportunity for those looking for a home in an area that combines modernity, nature and convenience.
