New Luxury Homes in San Pedro Alcántara, Málaga

Discover an exclusive residential development in San Pedro Alcántara, designed to offer maximum comfort and elegance in a privileged setting. This residential complex features 19 one-, two-, and three-bedroom homes, all designed with high-quality materials and spacious terraces offering stunning views of the sea and the Marbella mountains.

Located just minutes from the beach and Puerto Banús, this development offers you the convenience of having all the amenities at hand in a vibrant and connected environment. Enjoy an unbeatable location on the Costa del Sol, surrounded by prestigious restaurants, exclusive boutiques, and a wide range of leisure and cultural activities.

The common areas have been designed for your well-being and enjoyment. Stay in shape in the fully equipped gym with sauna, relax in the pool with sundeck on the roof terrace, and admire the spectacular views. All in a setting that combines luxury, comfort, and exclusivity.

Living in San Pedro Alcántara means being surrounded by everything you need: schools, shops, restaurants, and health centers, all just steps from your home. Plus, you'll have excellent connections to Marbella and the area's main attractions, making this development a unique opportunity for those looking for a home that combines elegance and a prime location.

Don't miss the opportunity to live in one of the best areas of the Costa del Sol. Contact us today for more information and discover your next dream home in San Pedro Alcántara.
